1. CALL OF THE ROLL

The Meeting was called to order by Angel Wallace at 4:00p.m.

2. APPROVAL OF MINUTES

On motion by Welcher second by Hoss the January 17, 2019 meeting minutes were approved. All ayes.

3. GENERAL PROGRAMMING

Membership discussed developing a timeline to send a delegation of Sioux City students to Yamanashi City in 2021. The committee reviewed the timeline that was established to send a delegation to Yamanashi City in 2019. The committee determined that planning for such an event should start nine to twelve months prior to travel to allow for students and their families to save and prepare for the trip. The understanding from the previous planning effort was that although planning for the 2015 Sioux City student visit was done in four months, unfortunately that timeline was not successful for planning the 2019 visit. Committee members will work on organizing and planning for a 2021 visit during upcoming meetings.

4. COMMITTEE CONCERNS

None

5. ADJOURNMENT

On motion by Hansen, second by Hoss, the meeting adjourned at 4:25 p.m. All Ayes.

Respectfully submitted,
Angel Wallace
