

PUBLIC NOTICE

The City of Sioux City, Iowa through its Airport Department (“the Department”) intends to collect Passenger Facility Charges (PFCs) under application (PFC #7) with the Federal Aviation Administration (the “FAA”) to amend funding for twelve projects at the Sioux Gateway Airport (the “Airport”).

In accordance with Section 158.23 of CFR Part 158, PFC’s, we hereby notify you of our intentions to file an application with the FAA for authority to levy and use PFC’s at the Airport. Pursuant to Section 158.23, the Airport will hold a consultation meeting with air carriers and the Public at the Airport on Friday, January 18, 2019 at 12:00 p.m. local time, regarding projects under consideration for PFC funding. At the meeting, the Airport will also discuss the need, justification, and financial plan for the proposed PFC program. The meeting will be held in the Airport Terminal Building 2nd Floor Conference Room.

The Airport intends to collect PFCs under PFC application #7 at \$4.50 per enplaned passenger. The proposed effective date for the amendments is July 1, 2019. The estimated charge expiration date of the Airport’s PFC program is now projected at June 30, 2039. Total additional PFC revenues of \$3,811,455.51 will be collected for the amended projects. All projects were originally funded with cash or bonds. The Airport is seeking public comments on the applications and on the following projects:
