

COVID 19 SWIMMING POOL GUIDELINES

1. Entrance to pools shall be maintained to follow recommended social distancing.
 - Form appropriate lines at six-foot intervals between parties.
 - Parents and students should remain six feet from other parents and students both on the pool deck and in the water before, during, and after lesson times.
 - Please leave the premises when lessons are done.
2. Wearing a mask or face covering at the pool is highly encouraged, although not allowed while in the water due to the risk of suffocation.
3. Swim lessons for Tiny Tots, Parent & Infants, & Learn to Swim or Private Swim Lessons Levels 1-3 will require a parent, guardian, family member, or babysitter 14 years of age or older to be in the water with the student.
 - Lifeguards will provide full instruction for each level from the deck and/or in the water, but will not have any physical contact with the student.
4. All fitness classes and lap swim will be limited to ensure appropriate distancing measures are in place.
5. Locker rooms will be available for no more than 5 people at a time.
 - Pool guests are highly encouraged to arrive with their swimsuits on to avoid locker room usage.
 - Restrooms will be available in the locker rooms, following the 5-person guidelines.

Other considerations for pool usage:

- No drinking fountains will be operating and water bottles from home are encouraged.
- Deck chairs will not be available, lawn chairs are permitted.
- Only one parent, guardian, family member, or babysitter at least 14 years of age, is permitted to accompany the student into the facility.
- A sign-in sheet must be completed when entering the facility. Information will be used by staff for contact tracing in the event a positive case is confirmed.
