These are the **only** haulers approved to perform clean out/pump outs of Grease Control Mechanisms within the Sioux City collection system for the FOG Ordinance Chapter 13.14. If an establishment is found using a non-approved hauler, the work performed will be considered null and void and a Notice of Violation will be issued, which may include enforcement action.

Sincerely,

A handwritten signature in blue ink that reads "Vicki P. Baker".

Vicki Baker
Assistant Public Works Director
